Dental Insurance

If you have dental Insurance, as a service to you, we will gladly file your insurance claims for you. We ask that you facilitate this matter by providing us with the following:

1. Your insurance card at your first visit for us to obtain a copy of.
2. Patient deductibles will have to be met at the time services are begun unless previously satisfied.
3. That part of treatment not covered by insurance (patient Co-payment) is to be paid at the time of service unless other arrangements are made in advance. Our staff will advise you of these approximate charges prior to treatment.

Please be aware that while we are pleased to offer this service, acceptance of insurance assignment by our office does not relieve the patient of ultimate responsibility for the fees incurred. Claims pending more than 60 days should be paid by the patient and reimbursed by the carrier. (GA law requires that claims be responded to by the carrier within 30 days of receipt.)
